ATHLETIC ELIGIBILITY
Students at Sycamore Junior High School must meet the eligibility standards as published by the Ohio High School Athletic Association and Sycamore Board of Education. Thus, a student must be passing subjects that earn a minimum of 5 credits per year toward graduation at the end of each quarter to continue athletic participation for the next quarter and maintain no less than a 1.0 grade point average on a 4.0 grading scale.

If a student fails to pass 5 credits in a quarter, the athlete is ineligible for the entire next quarter; Summer School credits do not affect eligibility requirements.

A coach, with the approval of the athletic director, has the option of establishing standards higher than those imposed by the state. Thus, a coach may require an athlete to be passing all coursework during the term in order to play in an interscholastic contest.

Special note: Physical education classes and proficiency classes are not used to determine athletic eligibility.

ATHLETICS

Students are strongly encouraged to participate in the many athletic opportunities offered at Sycamore Junior High School. See the list of sports below. A student athletic handbook is available which details specific policies, guidelines, and required forms. The handbook can be found on the junior high website.

ATTENDANCE

Regular attendance is essential for successful school achievement. Therefore, students are expected to attend class on a regular basis. To this end, the following guidelines will be followed by all schools within the Sycamore Community Schools:

Legal Requirement

All children between ages six (6) and eighteen (18) are of compulsory school age and must attend school. (Ohio Revised Code, Section 3321.01:)

It is the parent/guardian’s responsibility to ensure their child attends school, therefore, it is the obligation of the parent/guardian to report the child’s absence or tardy each day the student is absent. (Ohio Revised Code, Section 3321.03:)

Procedure for Reporting Absences
1. On the day of the absence, a parent/guardian should call (513-686-1762) to report the absence before 9:00 a.m. No note is required if the parent calls or emails that the student is absent.
2. Following the absence, the student must report to the Attendance Office with a note or the Parent Communication Form ONLY IF NO PRIOR NOTIFICATION WAS MADE.
   a. Date(s) of absence
   b. Reason
   c. Phone number where parent/guardian may be reached
   d. Signature of parent/guardian
   e. Students who are absent due to a doctor’s appointment must provide a note from the physician upon return
3. If the student forgets to bring a note, the student absence will be recorded as an “unexcused” absence. If an appropriate note is presented within one school day the absence will be changed to an excused absence.
4. Any unexcused absence(s) will be regarded as truancy and may result in academic and disciplinary action. This could result in the student’s receiving a “0” for that time frame.

Excused Absences
A school logged parent/guardian phone call or written notification received by the attendance office (on each day of the student’s absence), for any of the excused absences below, is sufficient to excuse the child’s absence. After the student’s tenth (10th) parent phone call or written notification, upon the student’s return to school, the parent/guardian shall provide documentation from a treating physician, nurse practitioner, or physician assistant stating the day(s) absent and reason for such absence.
   • Written documentation from the parent/guardian/non-doctor’s note may be in the form of an e-mail or fax to the proper school authority or directly from a physician’s office, if permitted by the physician’s office. Doctor’s notes must specify period of time for which excused absence is necessary.
   • If written documentation has not been received within 5 school days after returning to school following an absence, the absence will be “unexcused.”
   • The parent/guardian (and not the school) maintains responsibility to make certain the telephone call and/or absence note was submitted to the proper school attendance authority in a timely fashion.
   • If the parent/guardian fails to contact the school and school personnel have to initiate contact with the parent/guardian via a phone call and they DO NOT make direct contact with a parent/guardian, the absence will be considered unexcused until a parent/guardian makes direct contact with the attendance office to verify the student’s absence.
   • The school should be notified in advance by the parent/guardian for any planned absence that includes 3 or more consecutive days.

The school administration will make the final decision whether an absence/tardy is excused or unexcused. In general, excused absences/tardies include (but are not limited to):
   • Personal illness or injury.
   • Medical or dental appointments (partial days, in most cases).
   • Illness or death in the family.
   • Funeral of immediate family member or relative.
   • Quarantine.
   • Religious holiday (not counted against the ten (10) day rule).
   • Appointments for court.
Any known absences where school notification has been provided will be included in the ten (10) days.

Head lice. Children excluded from school due to head lice are allowed one (1) excused absence on two (2) separate occasions in a school year. Absences beyond this number are unexcused unless the additional absences are covered within the ten (10) parent/guardian notes or a physician et al. excuse.

Emergencies and other reasons deemed good and sufficient by the principal.

In general, unexcused absences/tardies include (but are not limited to):
- Missing the school bus.
- Experiencing transportation problems at home or on the way to school, including traffic.
- Remaining at home to complete school assignments.
- Missing school without legitimate illness.
- Oversleeping. Alarm clock (student’s or parent’s) failed to work.
- “My mom didn’t get me up.”
- Not having suitable clothing to wear to school.
- Working at a job during the school day without a proper work permit.
- Babysitting.
- Any form of recreation (unless included in prior notification days).
- Personal business that can be done after school or on weekends.
- “Helping at home” or “Was needed at home.”
- “I had a game last night.”
- Class pictures/portraits.

Attendance Accounting Definitions:
- Arrive at 8:00 am - 9:00 am = Excused/Unexcused Tardy (60 minutes after the start of the school day)
- Arrive between 9:00 am - 11:30 am = AM absence - Excused/Unexcused
- Arrive between 11:30 am - 2:07 pm = PM absence - Excused/Unexcused
- Early Dismissal = 2:07 pm - 3:07 pm = Excused/Unexcused (60 minutes prior to dismissal time)
- Dismissal from the Nurse = Excused AM/PM absence based on the time of dismissal

Excessive Absences
- A student who has been absent from school for more than ten (10) times within a school year will be required to have a doctor’s note to excuse additional absences.
- All absences beyond that number (10) without medical verification will be considered unexcused. A student must have a medical note for absences beyond ten (10) per school year. Doctor’s notes will be presented to the main/attendance office. Any student who has an extended period of illness will need to have a doctor’s note on file explaining the chronic illness.

Procedures for Student Attendance

Absences/Tardies:
- After a student has 15 hours of missed time, a courtesy notification letter will be sent by the school to the parent/guardian.
- After a student has repeated unexcused absences/tardies of 30 or more hours, the school will make contact with the parent/guardian of the student to inquire about absences/tardies.
- After a student has repeated unexcused absences/tardies of 45 or more hours, a warning letter is sent by the assistant principal and a meeting is scheduled by the school.
● After a student has repeated unexcused absences/tardies of **60 or more hours**, a communication is sent by the school to the District Attendance Officer referring the student to a Student Attendance Intervention meeting and a student attendance intervention plan is developed.

● If the pattern of absences continues after the student attendance intervention plan is put into place, a referral to Hamilton County Juvenile Court is generated and submitted. All documentation of interventions need to be submitted with the referral to the district attendance officer.

**Tardies 7-8:**

1. **Contact #1:** After a student has repeated unexcused tardies of **3 or more**, a meeting is set up by the administrative assistant in charge of attendance. An email is also sent to the parents of the child.

2. **Contact #2:** After a student has repeated unexcused tardies of **4 or more**, a meeting is set up by the building attendance officers with the student.
   - *5th tardy*: Phone call home notifying parent/guardian of number of tardies accumulated
   - *6th tardy*: Phone call and after school detention, conference with parent/guardian

3. **Contact #3:** After a student has repeated unexcused tardies of **7 or more**, a consequence is issued to the student and a meeting scheduled with the family.
   - *7th tardy*: Friday School and contact made by the assistant principal.
   - *8th tardy*: Saturday School and contact made by the assistant principal
   - *9th tardy*: 2 Saturday Schools and contact made by the assistant principal

4. **Contact #4:** After a student has any unexcused tardies of 10 or more, the student/family will be referred for an attendance intervention meeting.
   - *10th tardy*: In School Detention. *Referral for attendance intervention meeting*
   - *11th tardy*: 2 day In School Detention.

   - Monitor progress of students for a period of 60 days. Attendance intervention team will initiate another referral if progress is not being made. Second diversion meeting will be held and a home visit by the district social worker.

5. **Contact #5:** After a student has any unexcused tardies after step 4 is complete (12 or more), the student/family will be referred to Hamilton County Juvenile Court with a “failure to send” complaint.

**Extracurricular Activities Attendance**

A student may not miss more than **10%** of any school year to participate in activities, unless there has been an extended illness. Students absent from school for more than four periods in one day will not be permitted to participate in after school activities. Special circumstances may be appealed to the building administration. Mandatory rules applying to students participating in extracurricular activities are as follows:

1. Participating Day of Practice, Meeting, or Performance
   a. Students absent from school for more than four periods in one day will not be permitted to participate in after school activities.
   b. Special circumstances however, may be appealed to the administration

2. Class Cutting / Truancy – When a student who is involved in any extracurricular activity cuts class or is truant, the activity sponsor will be notified by the administration. Proper disciplinary action will be in accordance with the specific rules of the organization with a minimum of being denied participation from the next scheduled practice or meeting.
Dismissal Due to Illness

- A student who becomes ill during school hours must report to the school nurse.
- Permission will be granted only after a parent/guardian has been contacted.
- No student is to leave the building without authorization.

Early Dismissal

- A student must present a note from a parent/guardian to the Attendance Office requesting an early dismissal before the start of the first period,
- The note must include:
  a. Date
  b. Time and reason for dismissal
  c. Phone number at which the parent/guardian may be reached for verification of the request
- If the student leaves school and returns the same day he/she must report to the Attendance Office upon returning.

BUILDING HOURS

7:50 am – 3:07 pm Monday through Friday

The school building is open to students at 7:50 am. Students are not to loiter in the building after school hours or past 3:15 pm unless they are in the after school tutoring program, or with their school sponsored extracurricular sponsor / coach. No students may be in the building after school hours, including weekends, unless they are supervised or attending a school event. Students entering the building during unauthorized times will be subject to disciplinary consequences.
B.E.N.C.H: (Being Expected to Complete Necessary Classwork and Homework), Layover and other supports
The teachers at Sycamore Junior High work very hard to have all classwork and homework standards-based, age-appropriate and applicable to classroom experiences. Over the years, our staff, through a review of data, believes there is a significant correlation between student completion of classwork and homework and his or her individual learning. As a general rule, students should expect to have homework each night in their core academic classes.

Language Arts: LA 7/8 Honors - 45-60 minutes; LA 7/8 - 15-20 minutes
Math: 10-15 problems
Science: 15 minutes
Social Studies: 3 to 5 nights a week; no more than 30 minutes per night.

In order to assist parents in setting expectations for classwork and homework completion, we have two proactive programs at Sycamore Junior High.

The first program is called B.E.N.C.H. (Being Expected to Complete Necessary Classwork and Homework). The intent of the proactive program is to provide students who were unable to meet the expectation of completing classwork or homework ample time after school to do so for the benefit of his or her own learning. Transportation is provided.

While B.E.N.C.H. is a mandatory program, it is not a “detention” nor is it punitive. Its intent is to provide a quiet time for students to complete their work. Because we are sensitive to the developmental age of students, 7th graders do not begin in the program until September. For all students, a “parachute pass” is offered by every teacher every quarter which allows students to have an “oops” moment. The consequence for late work is subject to teacher policy. We also understand that there are occasionally more significant extenuating circumstances in family life and, in those cases, parents are encouraged to reach out to teachers to make arrangements directly with them. Students with disabilities or special accommodations are expected to complete assignments with their appropriate modifications in place. Students involved in athletic activities are also expected to complete work and are subject to the B.E.N.C.H. process.

We at Sycamore Junior High believe that students have enough grit to be held accountable to this expectation and that they are resilient enough if issued a B.E.N.C.H. to participate in the time to finish the work. Additionally, data on our B.E.N.C.H. program indicates that students involved in completing their work showed significant academic progress in learning and achievement.

The second proactive program we have to support your child in meeting expectations is “Layover”. In some rare occasions, there are students who, despite their time in B.E.N.C.H., still fail to complete the necessary classwork or homework. In this case, in order to encourage work completion, students who have been issued a B.E.N.C.H., participate in that B.E.N.C.H., and yet do not turn in their assignment(s), will be offered another opportunity to finish their work during Layover. Layover will be held during the child’s lunchtime and will offer both language arts, math and science support. Students will continue to be provided support until they complete the necessary work in Language Arts, Math or Science. Students will be notified prior to Layover and sent a reminder to attend.

If you believe in your role as a parent that your child has challenges in completing classwork and homework, please be aware that we have additional, ongoing opportunities for your child to receive support. Our
after-school Homework Club runs Monday through Thursday with transportation provided to home. In addition, your child may enroll in our Study Hall and Guided Study Hall which occurs during the school day. If you believe your child would benefit from enrollment in Study Hall or Guided Study Hall, please contact your child’s counselor.

BICYCLES/ROLLER SKATES/SKATEBOARDS
Students assume the risk of using bicycles, roller blades, skates, and skateboards on school property and/or at school events. Schools are not liable for accidents, property damage or theft related to the use of such items on school property or at school events. Students who ride their bikes to school should use the bike racks by the front entrance to the school. We urge all bike riders to lock their bikes. Bike riders should enter and exit the property by the sidewalk along Cooper Road. Bikes should never be ridden across the middle of the parking lot. Any infraction of these rules could result in the loss of bike riding privileges.

BOOKBAGS AND COATS
Book bags/backpacks and coats are not permitted in classrooms. Sycamore issued string bags may be carried throughout the day. Bags are available for purchase at schedule pickup and other times throughout the school year. Students are encouraged to stop by their lockers during those times which are most convenient in the student’s schedule. Generally, students visit their locker before the school day, before and after fifth period, and before leaving school. Students experiencing difficulty with their lockers should seek help from the counseling office.

BUILDING UNIFICATION PLAN
In the event an emergency evacuation of the building is deemed necessary by the building administration, all persons will evacuate and may be directed to an off-site location. If the evacuation will be for a prolonged period of time, require family reunification, or due to severe weather or other considerations, the school will transport students and faculty to the following locations:

- Blue Ash Elementary to Blue Ash Recreation Center (4433 Cooper Road)
- E. H. Greene Intermediate to Blue Ash Recreation Center (4433 Cooper Road)
- Maple Dale to Blue Ash Recreation Center (4433 Cooper Road)
- Montgomery Elementary to Blue Ash Recreation Center (4433 Cooper Road)
- Sycamore High School to Blue Ash Recreation Center (4433 Cooper Road)
- Sycamore Junior High to Blue Ash Recreation Center (4433 Cooper Road)
- Symmes Elementary to Blue Ash Recreation Center (4433 Cooper Road)

BUS PASSES
Students must fill out a Parent Communication Form and have it signed by a parent/guardian in order to ride a different bus from school. The note should be submitted to the Attendance Office before 1st bell. A bus boarding pass will then be issued. For your convenience, a copy of the Parent Communication Form can be found on the website or a hard copy is available at school.
CAFETERIA INFORMATION
Breakfast is offered to students 15 minutes before the first warning bell rings daily. Students can report to either the cafeteria or concession stand outside the auditorium for a grab-n-go breakfast. Eating breakfast is essential at the junior high with the first lunch period not starting until 11:53 a.m.

At some time during the 5th period, students will be excused for lunch. Dismissal for lunch and the time for resuming class work are indicated by the classroom teacher. The duration of the lunch period is thirty minutes. Students may bring their lunch or purchase the school lunch. Lunches brought from home may not contain soda or energy drinks.

Meal Charge Procedure
The Sycamore Child Nutrition department strives to provide all students with an opportunity to have a well-rounded meal to be prepared to learn. The district has adopted a meal charge procedure to ensure students have a healthy meal on days when they don’t have cash or funds available in their child nutrition accounts.

Only meals will be able to be charged on lunch accounts. No a la carte purchases such as snacks, ice cream, milk, etc. will be permitted when a student has a negative balance.
Students will be able to charge meals only up to -$20.00. Once a student reaches the charge limit they will be offered a courtesy meal at no cost, until the money is applied to their account.
The courtesy meal offered to grades 7-12 is as follows:
- Cheese Sandwich
- Choice of vegetables (except fries)
- Choice of fruit
- Milk

Notifications of low balances will be sent out from the district in various forms such as letters home and phone calls. Parents can set up email notifications via parent portal to help track their student’s lunch balance.
Families can fill out the free and reduced lunch application at any time during the school year.
The Principal may recommend that a family apply for free and reduced price meals, apply on the child’s behalf if he/she thinks the family will qualify or recommend a payment plan. Payment arrangements can be made by contacting the Sycamore Child Nutrition department at (513)686-1796.
Sycamore Junior High students take pride in keeping a clean, attractive cafeteria. The following regulations provide for an enjoyable lunch period and an attractive cafeteria:
1. Before students begin eating their lunches, they should report to the blacktop area outside the auditorium lobby as long as the weather permits. In case of cold or inclement weather, students will report to the cafeteria immediately.
2. When entering the cafeteria, a student should take his/her place at the end of the line and have his/her money ready for the cashier.
3. Teachers are requested by the administration to go ahead of pupils so that they can resume their assigned duties.
4. Students are permitted conversation and friendly association during lunch, but shouting, rowdiness, and table-hopping are poor manners and cannot be allowed.
5. If a student spills anything, it is the responsibility of the student to remove the material and clean up his/her eating space before leaving the cafeteria.
6. When leaving the cafeteria, a student should return all waste material, paper, and eating utensils to the appropriate location.
7. **Food or drink is not to be taken out of the cafeteria.**
8. Students are not permitted to leave school grounds during the lunch period.
9. Students are not to be in any part of the building other than the cafeteria, game room, and auditorium lobby during their lunch period without a hall pass.
10. Students may be assigned clean-up duties as consequences for misbehavior during their lunch period or being in the hall without a pass.
11. High school siblings are not permitted to have lunch during high school exam weeks due to capacity issues.

**CAR RIDERS/WALKERS**
We encourage students to ride the bus or walk home whenever possible due to the congestion that results from large number of afternoon pickups by car. All students being picked up are to exit through the courtyard gate and remain on the sidewalk on the east side of the building to enter vehicles. Parents are asked to remain in the pickup line until the car in front of them moves out of the lot. No student is permitted to cross through the lot for pickup. Walkers should enter and exit the building through the secondary entrance of the building in front of the Media Center along Cooper Road.

**CELL PHONES**
Cell phones are not permitted to be used or carried by students during instructional hours unless instructed to do so for classroom usage by a certified staff member. Consequences for violating this policy may include, but are not limited to:

<table>
<thead>
<tr>
<th>1st Offense</th>
<th>Warning issued to student, cell phone confiscated and turned in to the front office. Parent/Guardian will be notified.</th>

CHANGE OF ADDRESS, EMAIL ADDRESS, OR PHONE NUMBER
In order for school records to be current, and in the event it is necessary to contact parents for emergency purposes, parents must make any changes in a student’s address and phone number, as well as parents’ work telephone numbers or email addresses in Final Forms located on the district's home page at www.sycamoreschools.org. Proof of residence must be provided to the school when changing an address.

CHILD ABUSE
All Sycamore employees with reason to believe that a child under 18 years of age or a handicapped/disabled child under 21 years of age who has suffered, or faces a threat of suffering, abuse/neglect are required to report such information to appropriate authorities.

COMMUNICATION AND SOCIAL MEDIA
Instant Communication System
Positive outreach and interaction are essential elements of a thriving school district. With that in mind, Sycamore Community Schools uses an instant communication system, that enables district and school administrators to record a voice message, schedule the message delivery time, and deliver the message via a telephone call or email to parents. When schools are delayed or closed, the district will place a detailed announcement on the district website, www.sycamoreschools.org. In addition, Sycamore parents/guardians will receive a voice at the home phone and mobile phone that is associated with their contact information in our student database system. If a parent/guardian would like to change or remove their contact number, please call the building or send an email to helpdesk@sycamoreschools.org with your request.

Social Media
Sycamore Community Schools uses social media to assist in communicating district information with parents, students, and community members. While the district will continue to communicate in traditional ways (website, newsletters, etc.), social media provides a platform for individuals to learn more about the district through exclusive content, videos, a showcase of events, two-way communication, and much more. The integration of social media into the district’s communication plan is the result of months of careful planning with input from staff, parents, students, and businesses and school districts that use social media. The district also developed social media guidelines to help individuals understand, from a wide range of perspectives, proper participation in social media. Students are expected to adhere to these guidelines, the district’s Internet/Network Acceptable Use Policy for Students, and the Student Code of Conduct. Questions regarding district social media platforms should be directed to the Chief Public Relations and Communications Officer at 686-1706.

Individuals wishing to launch a social media platform on behalf of the district, a school, or a school/district organization/club/team should obtain permission from the district’s Chief Public Relations and Communications Officer.

**COMPUTERS AND NETWORK AT SCHOOL**
The Chromebook is the preferred device chosen by Sycamore Community School District. It will allow the school district to monitor student use at school and push out applications that students can use for classwork. The Chromebook was chosen for numerous factors including its lightweight, long battery life, integration with Google Apps for Education and security. School-issued Chromebooks will contain additional services and filters that non-district purchased Chromebooks will not. That being said, a student may bring his/her own device, but will use a district-owned Chromebook for all testing.

For complete information about computer and network policies of Sycamore Community Schools refer to the district website [One to One](#) link.

**CONFIDENTIALITY**
Notwithstanding the exceptions noted below, information concerning individual students is considered confidential and is shared with only those school personnel who have a need to know it in order to complete the functions of their job. No information will be shared with outside agencies without parental written consent (the exception is law enforcement agencies). A student’s name, address, phone number, major field of study, participation in officially recognized activities and sports, weight and height, degrees, and awards received may be disclosed unless a parent signs the Family Educational Rights and Privacy Act (FERPA) form, available at each school and online at [www.sycamoreschools.org](http://www.sycamoreschools.org). Student names and photos may also be released to the media, used in district publicity efforts, or posted online unless a parent signs the Media and Publicity Exclusion form, available at each school and online at [www.sycamoreschools.org](http://www.sycamoreschools.org). Please read both forms carefully before deciding to sign or not sign them.

**CULTURE - Positive Behaviour Intervention Supports (PBIS)**
Positive Behavior Interventions and Supports (PBIS) is a framework for supporting behavior in school. PBIS places an emphasis on proactive strategies for defining, teaching, and supporting student behaviors to create a positive school environment. Our buildings embrace the 4 core pillars of PBIS including:

- Specific defined behavioral expectations
- Explicit teaching of the desired school behaviors
- Acknowledging students for demonstrating expected behaviors
- Correcting behaviors before they occur and teaching alternative acceptable behaviors in the moment

At our buildings, we have defined four specific behavioral expectations. They include:

- Be Respectful
- Be Responsible
- Be Safe
- Be a Problem Solver

Research has shown that punishment, when used inconsistently, and in the absence of other positive strategies, is ineffective. Through modeling, specific instruction, and acknowledging students for the behavior we expect to see at school, we are taking a more positive and proactive approach.

Throughout the year our building newsletter will feature information about out school wide PBIS implementation. We encourage you to reinforce our language and expectations at home around our expected school behavior.
DRESS CODE
While the style of clothing and personal appearance of each student generally is a matter of taste, some standards of dress and appearance are necessary. While we recognize that appearance is a matter of self-respect and a matter of respect of others, the faculty and administration have a responsibility and an obligation to enforce a dress code that provides for the students' health, personal hygiene, safety, and effective education.

Please note that these guidelines will be emphasized and strictly enforced at all school functions. Students are not permitted to wear the following:
1. head coverings unless required for religious purposes, hats, hoods covering the head, or sunglasses
2. see-through garments, exposed midriffs, strapless tops, spaghetti straps, low cut shirts that show cleavage, pajamas, lounge wear, house shoes/slippers or muscle shirts.
3. clothing that has an intimidating message or which causes and/or is reasonably anticipated to cause a disruption to class
4. clothing that reveals undergarments
5. makeup deemed excessive or distracting
6. any potentially dangerous items, such as necklaces, bracelets, rings, or items with sharp or protruding objects exposed chains of any kind including but not limited to wallet chains
7. hairstyles deemed as a distraction in a learning environment
8. shorter length shorts and skirts
9. articles of clothing which promote the use of any alcoholic beverages, drugs, tobacco products, or violence/weapons
10. clothing which contains sexually suggestive language, pictures, inappropriate language, or gang related items
11. any other dress or style that interferes with the educational process as deemed by the administration

Consequences for violations of the Dress Code could include, but are not limited to:
1st Offense - Student warning from an administrator / teacher and change of apparel from locker or nurse’s office
2nd Offense – Change apparel and receive detention
3rd & Subsequent - Repeated violations are considered insubordination and will result in more serious consequences.

DRUG AND ALCOHOL PROCEDURES
The Sycamore Board of Education policy concerning drugs and alcohol allows that before a student is expelled, the student’s prior disciplinary record and cooperation regarding the scheduling of a chemical dependency assessment will be taken into consideration.
Consideration to hold expulsion days in abeyance (for a first offense) will be given to a student who undergoes a drug/alcohol assessment at an adolescent drug/alcohol treatment facility or by a private licensed drug/alcohol counselor, LICDC, approved by the student’s school administrator or his/her designee. All recommendations must be followed by the student and parent(s) or guardian. Failure to follow the recommendations will lead to reinstatement of the expulsion. Failure to provide written results of drug or alcohol tests, if requested, will lead to reinstatement of the expulsion.

The following requirements must be met before a student may return to school:
● Complete a drug/alcohol assessment by a licensed LICDC counselor or adolescent drug/alcohol treatment facility.
● Send a written report of findings and recommendations to the student’s school administrator and student counselor following the assessment.
● Provide verification to the school counselor that appointments are scheduled for following through regarding the recommendations of the assessment.
● Sign “a release of information” for the school administrator and the student assistance counselor to communicate openly with the counselor or treatment facility providing the assessment and treatment. The purpose of this communication is to confirm the results of the assessment and compliance with education, counseling or treatment recommendations.

A list of resources will be provided to the student’s parent(s)/guardian. Any costs incurred for assessment or testing are the responsibility of the student’s parent(s).

Copies of this letter will go to the superintendent, school administrators, and school counselor.

**ELEVATOR USE**
Students must present a doctor’s note in order to use the elevator. The school reserves the right to deny a student access to the elevator if the student is not following the rules for using the elevator or if the student’s safety is in jeopardy.

**EXTRACURRICULAR INFORMATION**
Get involved! A complete listing of all the activities and clubs that students can join is located in the counseling office or in the reception area, or on the junior high website. All interested students are encouraged to participate in clubs, activities, and/or athletics. If a student needs financial aid to enable him/her to participate in any of these programs, the student should contact the club/activity sponsor or coach to obtain that support.

For school-sponsored functions, every effort is made to comply with the Americans with Disabilities Act. If specific auxiliary aids and/or accommodations are needed, please notify the building principal’s office at least two working days prior to the event.

**FEDERAL GRANT INFORMATION**
At the beginning of each year, the district notifies the parents of each student in any Title I building that they may request information regarding the professional qualifications of their child’s classroom teacher. Additional information regarding Federal Grant compliance can be found on our website, [www.sycamoreschools.org](http://www.sycamoreschools.org) under Parent Resources.

**FEES**
Fees can be paid online using Mastercard or Visa through Parent Portal or by check payable to Sycamore Community Schools.

The **Academic Fee** is $40.00 per student. Students entering the district after the end of the semester will be charged a fee of $20.00 and no fee to those beginning after the start of the 4th quarter.

The **Performing Arts and Athletic Program fee** is $75.00 per sport for participation in junior high and high school athletics and the following performing arts programs: Junior High Drama, Junior High Boy Choir, and Junior High High Singing Company.
Students participating in the federal free and reduced price lunch program will receive a waiver of student academic and extracurricular fees.

FIELD TRIPS
Field trips can be a positive learning experience when well-planned and related to the course of study. Parent permission will be sought for field trips outside of Sycamore Junior High School. Students are responsible for obtaining and completing make-up assignments from other classes missed due to a field trip. Students may be excluded from field trips if they are in poor academic or behavioral standing. Good behavior is expected on all field trips.

Any student who participates in a field trip (or is absent from class for an athletic contest) must notify his/her teachers in advance that he/she will be out of class. Participation in a field trip does not excuse a student from fulfilling his/her student responsibilities.

- If a paper or project is due on the day of the trip, the student must turn it into the appropriate teacher prior to leaving on the trip.
- If a test or quiz is missed, it must be made up as soon as possible at the teacher’s convenience. This may be done after school on the same day after the student returns from the trip.
- A student is responsible for all work missed when on a trip. If a test, quiz, or project is scheduled for the day following the trip; the student will be required to complete the work with the class.

FUNDRAISERS
In order to be sensitive to our families, we limit our fundraisers to those necessary to provide support to school related and Sycamore Junior High extracurricular expenses. The annual Aviator Flight Fest and 5K is our primary fundraiser and occurs early in our school year. All other fundraisers require administrative approval. PTO sponsors additional opportunities to raise money such as Kroger cards, Box Tops, and Pipkin’s receipt program to benefit specific project needs during the year. Bake Sales and other fundraising activities involving food and beverage items may not be held during the school lunch period.

GRADING INFORMATION
Sycamore Junior High School uses the following grading system:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Description</th>
<th>GPA</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>Excellent - outstanding</td>
<td>4.0</td>
</tr>
<tr>
<td>B</td>
<td>Good – above average</td>
<td>3.0</td>
</tr>
<tr>
<td>C</td>
<td>Average – satisfactory</td>
<td>2.0</td>
</tr>
<tr>
<td>D</td>
<td>Passing – below average</td>
<td>1.0</td>
</tr>
<tr>
<td>F</td>
<td>Failing – insufficient to pass</td>
<td>0.0</td>
</tr>
</tbody>
</table>

Students and parents/guardians are encouraged to discuss grades with teachers, counselors, or administration if there are any questions or concerns.

Interim Reports
Interim reports will be distributed during class time for students carrying D’s and F’s. All other grades can be viewed on Blackboard or Parent Portal.

Report Cards
Report cards will be distributed to students approximately one week following the end of each grading period.
HALL PASSES
Students are required to have a signed hall pass in order to be in the hallway during class time. Students should ask their teacher/staff member to sign a hall pass in order to leave the classroom for any reason.

HEALTH
Allergies
Animal/Pets In The Classroom: Due to the large number of children and staff members at risk for illness or allergic reaction to animals, animals/pets with fur or feathers are not allowed in classrooms. The exception to this is:

● Zoo presentations. (It is felt that the professional can manage this situation, and that children with allergies can be maintained at a safe distance. Teachers will assess this on an individual basis.)
● Guide dogs or Police drug dogs.

Reptiles, amphibians, and fish may be used for educational purposes; however, students are to be discouraged from handling these. If contact is made, hand washing should be required.

Balloons
Rubber balloons that decorate parties, carnivals, proms, etc. can pose a serious health threat to latex-sensitive individuals. People with chronic health conditions (spina bifida, hydrocephalus treated with shunts, etc.) who have been frequently treated with latex products are especially predisposed to this severe and possibly life threatening allergy. Latex allergy is also reported in healthy individuals, especially those with common conditions such as asthma and eczema. Routes of exposure include contact with skin, wounds, mucous membranes, and inhalation of latex laden powder particles from items such as rubber gloves or balloons. For these reasons, latex balloons are not permitted in all school buildings. Mylar balloons are suggested as safe substitutes.

Classroom Treats
Many students suffer from severe food allergies and eating, smelling, or touching certain allergens (i.e. peanuts, nuts, etc.) can be fatal to people who are sensitive. Because of issues such as these, parents are asked to carefully select food items when treating a child’s class. The teacher should be asked if any students have food allergies and diabetes. Consideration of healthy food choices that are nutritious and not too high in sugar is appreciated. Non-food alternatives such as craft activities or prize bags can also be a choice to make classroom parties a healthy celebration. Sycamore’s Student and Staff Wellness Program guidelines can be found on the Sycamore Website and serves as a great resource for classroom treat ideas.

Students With Special Dietary Needs
At the beginning of each school year, or at the time of enrollment, parents are responsible for communicating any special dietary needs of their child, including food allergies, to the district. Students with dietary needs that qualify as disabilities under law will be provided reasonable accommodation.

Substitutions to regular school meals provided by the district will be made for students who are unable to eat such meals due to a qualifying dietary need when that need is certified in writing by the student’s physician. Such meals will be provided in the most integrated setting appropriate to the needs of the student.

Please complete the district’s Food Allergy Notification and Medication Order Form with your student’s physician and return to the school nurse each school year. The nature of the student’s qualifying dietary need, the reason such need prevents the student from eating regular school meals (including foods to be omitted from the student’s diet), the specific diet prescription along with the needed substitution must be specifically
stated along with a physician and parent/guardian's signature on the form provided. The district, in compliance with the USDA Child Nutrition Division guidelines, will provide substitute meals to food-allergic students based upon the physician’s signed statement stating the allergy is life-threatening.

Dispensing Medication at School
Sycamore Community Schools has a medication policy that is in compliance with the Ohio Revised Code. Medication should not be given at school unless it is absolutely necessary for the health and well-being of the student. If medication must be given at school, a Physician/Dentist Medication Orders form must be on file at school, signed by a parent/guardian and a physician, before prescribed medication or over-the-counter medication may be administered. Such orders are also needed for students to carry inhalers or Epi-Pens (epinephrine auto-injectors). This form is available on the district website, www.sycamoreschools.org. For more information, please talk to your school nurse or review the Student Health Handbook, available at each school and online at www.sycamoreschools.org.

Medication should not be given at school unless it is absolutely necessary for the health and well-being of the student.

- A Physician/Dentist Medication Orders Form must be on file at school, signed by a parent/guardian and a physician, before prescribed medication or over-the-counter medication may be administered. It is also needed for students to carry inhalers or Epi-Pens (epinephrine autoinjectors). This form is available on the district website, www.sycamoreschools.org.

  The following must be included with the order form
  a. Name and address of the student.
  b. Name of the medication and dosage to be given.
  c. Reason for administering the medication.
  d. Times at which medication should be given.
  e. Dates the administration of medication is to begin and end.
  f. Adverse reactions that should be reported to the physicians.
  g. Special instructions (i.e. sterile conditions, storage, etc.)
  h. Acknowledgement that the prescriber has provided the student with training in the proper use of the Epi-Pen.

NOTE 1: Any changes in a medication order require a revised statement signed by the physician.
NOTE 2: If a student does not take a daily scheduled medication for more than 30 days, a new order is required.

- Medication must be in the original container.
- Students may not transport medication to school. (Exception: Inhalers or Epi-Pens, with a completed Physician/Dentist Medication Orders Form, may be transported by a student. Parents are requested to provide a backup inhaler, and are required by law to provide a backup dose of Epi-Pen.
- A new Physician/Dentist Medication Orders Form is required each year for ongoing medication. All medication must be picked up by a parent/guardian at the end of the school year. If it is not picked-up, it is discarded.
- Only the school nurse, a substitute nurse, the principal, or a person designated by the principal, are authorized to administer medication at school. (Note: If an Epi-Pen is administered, emergency services will be called.)
- Parents/guardians are not permitted to administer medication to students on school property without a signed Physician/Dentist Medication Orders Form.
Nurse
If a student becomes ill during the day, he/she should acquire permission from the classroom teacher or appropriate staff member to go to the health room. STUDENTS MUST HAVE A PASS TO COME TO THE HEALTH ROOM unless it is an emergency.

If your student has special health considerations (asthma, diabetes, seizure disorder, food/insect allergies) and will be involved in a school sponsored extracurricular activity, it is the parent/guardian’s responsibility to get physician orders for the medication and to notify the school nurse. The school nurse will then train the coaches or coordinators to respond appropriately.

The importance of a working telephone number in the case of an emergency is critical to the health and safety of your student. In case of a change of telephone numbers and/or address changes, please call school.

HOMEWORK HELP
Students are encouraged to attend Homework Club should they need help with daily homework. Each session is staffed by a certified teacher Monday through Thursday from 3:15 to 4:00 P.M. An after school bus is available at 4:00 P.M. for Homework Club participants only. A before school session is also held on Tuesday from 7:15 to 8:00 A.M. Transportation is not available for morning sessions.

Homework assistance is also available at lunch time in Student to Student peer tutoring sessions. Students are encouraged to use Academic Assistance passes during Flex Time to get additional help from their individual teachers.

HONOR ROLL
The junior high honor roll will be compiled by the counselors at the end of each grading period. The list will include the names of those students who have achieved an overall average of 3.4 or better in all courses. A letter grade of D or F in any subject automatically disqualifies a student from the honor roll. Any student who attains an overall average of 3.6 or better in all classes will be eligible to be included in the Principal's Honor Roll.

INSTRUCTIONAL MEDIA CENTER (IMC)
A wide variety of material is available including books, magazines, and audiovisuals. Books are checked out for three weeks. Audiovisual items may be used in the IMC or taken to classrooms for presentations. All materials must be checked out before being taken from the IMC. Fines will be assessed on materials that are kept past the date due. If a library item is lost the patron will be charged the original price or the replacement price.

LOCKERS
All school lockers are the property of the Sycamore Board of Education and, in accordance with the law, lockers/cubbies and the contents therein may be the subject of a random search at any time. The Sycamore Board of Education may direct the principal or a designee to conduct random searches as a proactive means to reduce behavior that is not in accordance with the Student Code of Conduct, and/or the law.

One student will be assigned to each locker by his/her seventh bell teacher in which to keep books, coats, and other personal property. **Lockers are to be kept locked at all times.** While the school makes every effort to
solve locker problems, the school is neither responsible nor liable for books or other items of value missing or taken from lockers regardless of the circumstances. Each student is responsible for his/her own possessions, for their replacement, and/or payment. Students who have a locker problem should seek help in the office.

MAKE-UP PRIVILEGES DUE TO ILLNESS
It is the responsibility of the student with an excused absence to complete make-up work. Students who are ill are allowed two days for every one day absent to turn in make-up work, however; assignments/tests due the day of absence are to be turned in or completed the day the student returns to school. Students are encouraged to utilize Blackboard to access assignments. In cases when illness or convalescence results in an extended period of absence (3 or more days), arrangements should be made through the Counseling Center to send assignments home or have them ready for parent pick up by calling 686-1760, ext.#2510.

PARENT PORTAL
Parent Portal is a portion of the Sycamore Community Schools website that allows parents to:
- have access to class assignments and notes
- view a student’s most current grades online
- pay academic, athletic, and summer school fees online using MasterCard or Visa
- track school expenses
- add funds to a student’s meal account electronically/view meal account transactions
- access parent resources/web links
- online forms

Parent Portal also meets the busy schedules of parents and families as the information on Parent Portal is available 24 hours a day, 7 days a week! Parents can also have peace of mind during financial transactions as payments are credited to a student’s account within 24 hours, credit card information is not saved, a password is required, and transmissions are secure!

For information on creating a Parent Portal account, visit the district website (www.sycamoreschools.org) or email to helpdesk@sycamoreschools.org.

PARENT-TEACHER CONFERENCES
Schools have specific days not in session or classes are dismissed early for the purpose of holding parent-teacher conferences. See the school district calendar for these designated days. Conferences may also be scheduled by parents or teachers anytime throughout the school year.

Parents wishing to have a conference with a teacher should call, email, or send a note to the teacher requesting a conference.

Per a law called the Family Educational Rights and Privacy Act (FERPA), student records and information may not be shared with anyone who is not a legal parent or guardian and therefore, these individuals must be excluded from parent-teacher conferences.

If a situation requires the inclusion of a non-parent (such as a tutor, or grandparent), a conference waiver form must be signed by the parent, guardian, or custodial parent. Step parents living with the child have the same FERPA rights as a non-custodial parent regarding access to records however, they have no decision-making authority unless procured through court order.
PARENT-TEACHER ORGANIZATION (PTO)
The PTO helps to organize and implement programs that serve students, the staff, the community, and the world. All parents and guardians are encouraged to join the PTO as statistics indicate that there is a strong correlation between parental involvement and student achievement. PTO meeting times and locations are available through the school's main office, on the district calendar, and online at www.sycamoreschools.org. All parents and guardians are welcome at PTO meetings.

PERSONAL PROPERTY
The school cannot be responsible for the personal property of the students. There should be no reason for a student to carry large sums of money or other valuables. However, should such an occasion arise, the main office will be glad to put such valuables in safekeeping until the student leaves school that day.

PHONES
There is a phone that students may use at the front desk. The phone may be used during lunch and after school. A pass is required to use the phone during school hours. Only emergency messages from parents will be delivered to students. With so many students and teachers at the junior high, it is extremely time consuming and difficult to deliver messages. Please refrain from calling with a message unless it is an emergency.

PHOTOS AND MEDIA
The district knows and understands the desire of a proud parent to videotape or photograph memorable school events and share those photos with friends and family members. However, families are reminded that not everyone wants to be in pictures or videos. Sycamore Community Schools will respect the rights of those parents who have requested that their children not be included in publicity efforts, website posting, videos, and photographs for various reasons. Thus, the district respectfully requests that parents obtain approval from their school principal prior to posting photos and videos on the internet and social networking sites such as Twitter, Facebook, Instagram or YouTube.

The Chief Public Relations and Communication Officer is responsible for submitting district information or story ideas to the media and creating social media channels on behalf of the district. Individuals who wish to release a photo or news item to the media and those who want to start a social media channel for the district or a school should contact the Chief Public Relations and Communications Officer at 686-1706.

PROBLEM-SOLVING MODEL
Students and parents are encouraged to follow our Problem Solving Model. Within this framework students and parents are encouraged to address any questions or concerns with the adult staff most directly involved with their concern, (i.e. grading, detentions, etc.) to find a workable solution. Should a student still have concerns after working directly with a teacher/staff member, they are encouraged to seek out the assistance of their school counselor. Parents are encouraged to follow the same guidelines prior to contacting school administration.

During the school year, we practice the following “safety drills” in an effort to prepare our students for emergency situations on our campus:
- **Fire drills** once a month
- **Tornado drills** once a month
- **Lockdown/Intruder Response** once a quarter
Students are expected to participate in the drills in a serious manner to decrease the risk of harm to themselves and others.

SCHOOL CLOSING AND DELAYS DUE TO EMERGENCIES
When schools are delayed or closed, the district will place a detailed announcement on the district website, [www.sycamoreschools.org](http://www.sycamoreschools.org). In addition, Sycamore parents/guardians will receive a voice message at the home phone and mobile phone that is associated with their contact information in our student database system. All changes to contact information should be made in Final Forms.

SCHOOL CLOSINGS AND DELAYS DUE TO INCLEMENT WEATHER
School closings and delays are based on concern for the safety of students, parents and employees, and most school closings occur during winter months. During inclement weather, Sycamore Community Schools will typically operate as follows:

**School is Closed for the Day:**
- Latchkey programs will not operate
- All after-school activities will be canceled, unless otherwise notified.

**School Opening is Delayed:**
- All schools and buses will run on a 2 hour delay
- Dismissal times will remain the same for all grades, except Preschool and Head Start
- Morning Preschool classes will be cancelled
- Afternoon Preschool classes will operate as usual
- Morning kindergarten will be cancelled
- Afternoon kindergarten classes will begin at 12:50 p.m. and end at 3:45 p.m.
- Latchkey operates under a 90-minute delay

If schools are delayed or closed, the district will inform all media and place an announcement on the district website ([www.sycamoreschools.org](http://www.sycamoreschools.org)), the district Facebook page ([www.facebook.com/sycamoreschools](http://www.facebook.com/sycamoreschools)) and the district Twitter account (@sycamoreschools).

When schools are delayed or closed, the district will place a detailed announcement on the district website, [www.sycamoreschools.org](http://www.sycamoreschools.org). In addition, Sycamore parents/guardians will receive a voice at the home phone and mobile phone that is associated with their contact information in our student database system. If a parent/guardian would like to change or remove their contact number, please call the building or send an email to helpdesk@sycamoreschools.org with your request.

SCHOOL PROPERTY
Damage to school property must be paid for by students and/or their parents. Students will be assessed the replacement cost of the lost or damaged book or item.

SCHOOL RESOURCE OFFICER
Sycamore Junior High School in conjunction with the Montgomery Police Department has a School Resource Officer assigned to the junior high school on a daily basis.
SERVICE LEARNING/OUTREACH
We believe students benefit from helping others in need, therefore we participate in several service projects throughout the school year. Our year long Sandwich Project gives students hands-on experience with feeding the hungry in the city. In addition, students will be encouraged to participate in school supplies, canned food, and warm clothing drives, collections for our sister school Winton Hills Academy, and disaster relief as needed. Participation is encouraged but not mandatory.

STUDENT RECORDS
Student records may not be released unless the proper consent form is signed by the parent/guardian of a student under the age of eighteen.

STUDENT VISITORS
Due to classroom size constraints and continued national concerns in regards to school safety / emergency procedures, students are not allowed to have other students attend classes or visit at lunch during the school day. Prospective students need to arrange for a tour through the Registrar or Assistant Principal.

SUMMER SCHOOL
1. If a student fails one or more core academic courses (Math, Language Arts, Science, Social Studies), he/she must successfully complete those courses in summer school. Failure to do so may result in retention.
2. If a student fails three academic courses, he/she must take and pass two of the three courses in summer school. Failure to do so may result in retention.
3. If a student who has failed two or three academic courses does not attend summer school, or fails summer school, the principal has the discretion to permit the student to take a competency test. The test will aid the principal in the decision on promotion to the next grade level.

TEXTBOOKS
Textbooks are furnished to students by the Board of Education. All books must be returned at the end of the year or when a student withdraws. Students are responsible for maintaining their books in the proper manner. All textbooks assigned to students are to be covered. Pupils are not assessed fines for normal wear of textbooks, only if lost, abused, or show excessive wear.

VISITORS
All individuals who are not part of a normal school day (regular students, staff, or faculty) shall report directly to the school office and state the reason for their visit each time he/she enters the school. For the safety of students and staff, Sycamore Community Schools is utilizing the LobbyGuard visitor badge system. All visitors must obtain a visitor's badge which must be worn at all times while in the school building. Parents who wish to visit a classroom must contact the teacher in advance to establish a time to visit the classroom. Once an appointment is made, parents must sign in at the school's main office and obtain a visitor badge. Parents may also eat lunch with their child at any time by either bringing their own lunch or selecting items from the lunch line. Parents bringing in lunch must sign in at the main office and are asked not to share with other students for lunch due to dietary restrictions, allergies, and the possibility of hurt feelings if all students are not involved
VOLUNTEER BACKGROUND CHECKS
In an ongoing effort to ensure a safe and secure environment for all students, Sycamore has instituted a volunteer background check process. This process requires a criminal background check for any volunteer that is accompanying a school group on an overnight field trip or is working with students in an environment out of sight and sound of a district employee. Examples of individuals who do not need a criminal background check include, but are not limited to, playground volunteers (as long as there is a regular teacher or aide on the playground), an individual volunteering in the regular classroom, or any volunteer under staff supervision. Background checks will be conducted only on those individuals authorized by the building principal and will be completed at the District Offices. Volunteers may be required to pay for their background check.

VOLUNTEERS
All classroom volunteers are under the direction of the teacher and are asked to honor their commitment with punctuality and attendance. Each volunteer area will have specific guidelines and contingency plans in the event someone is unable to fulfill their responsibility on a particular day. Volunteers must maintain the confidentiality of the educational setting related to student academic and behavioral issues and must not divulge information of this nature to any individual or group with the exception of the teacher in charge or other appropriate personnel. Discussing individual staff members or programs in a critical manner is inappropriate. When volunteering in the classroom, media center, or on a field trip, it is inappropriate to bring younger children. The volunteer’s attention must be totally directed to the task at hand (The exception: cafeteria volunteers may bring a younger child to school while working so long as he/she does not keep the volunteer from performing the duties required.). When performing duties and questions or concerns arise, volunteers should consult with the person in charge at an appropriate time. Volunteers should be a positive example and role model for the children by being aware of verbal and nonverbal communication. Cell phones should be turned off or put on vibrate.

Student lockers are the property of the district, and since random searches have a positive impact on reducing drugs and other criminal activity, it is the policy of the Board to permit the building administrator to search any locker and its contents as the administrator believes necessary. **HAZING AND BULLYING**
(Harassment, Intimidation and Dating Violence)

The Board does not tolerate hazing, harassment, intimidation or bullying of any student on District property or at any school-sponsored event, regardless of whether the event occurs on or off District property (on school buses and other school-related vehicles). Students who engage in such behavior are subject to disciplinary action, including suspension or expulsion from school. The Board's commitment to addressing such prohibited behavior involves a multi-faceted approach, which includes education and the promotion of a school atmosphere in which hazing, harassment, intimidation, dating violence and/or bullying will not be tolerated by students, staff or administration.

For purposes of this policy, the term hazing means doing any act or coercing another, including the victim, to do any act of intimidation to any student or other organization that causes or creates a substantial risk of causing mental or physical harm to any person. Permission, consent or assumption of risk by an individual subjected to hazing does not lessen the prohibition contained in this policy.

For purposes of this policy, the term "harassment, intimidation or bullying" means any unprovoked and intentional written, verbal, electronic or physical act that a student has exhibited toward another particular student more than once and the behavior both: (1) causes mental or physical harm to the other student; and (2) is sufficiently severe, persistent or pervasive that it creates an intimidating, threatening or abusive educational environment for the other student. For purposes of this policy, harassment and intimidation include violence within a dating relationship.
Permission, consent or assumption of risk by an individual subjected to hazing, bullying and/or dating violence does not lessen the prohibition contained in this policy.

The District includes, within the health curriculum, age-appropriate instruction in dating violence prevention education in grades 7 to 12. This instruction includes recognizing warning signs of dating violence and the characteristics of healthy relationships.

Prohibited activities of any type, including those engaged in via computer and/or electronic communications devices or electronic means are inconsistent with the educational process and are prohibited at all times. The District educates minors about appropriate online behavior, including interacting with other individuals on social networking websites and in chat rooms as well as cyberbullying awareness and response.

No administrator, teacher or other employee of the District shall encourage, permit, condone or tolerate any of these activities. No student, including leaders of student organizations, may plan, encourage or engage in hazing and/or bullying.

Administrators, teachers and all other District employees will be particularly alert to possible conditions, circumstances or events that might include hazing and/or bullying. If hazing and/or bullying or planned hazing and/or bullying is discovered, involved students will be informed by the discovering school employee of the prohibition contained in this policy and will be required to end all hazing and/or bullying activities immediately. All hazing and/or bullying incidents must be reported promptly to the Superintendent/designee. School administration will ensure the appropriate disciplinary action is administered.

The Superintendent/designee must provide the Board President with a written summary of all reported incidents of harassment, intimidation and/or bullying on a semiannual basis. The summary will be posted on the District's website, to the extent permitted by law.

The administration provides annual training on the District's hazing and bullying policy to District employees who have direct contact with students. Additional training is provided to elementary employees in child abuse prevention. The District provides training in dating violence prevention to employees as required by the Ohio Revised Code.

The District provides age appropriate instruction on dating violence prevention in grades 7-12 as required by the Ohio Revised Code.

District employees, students and volunteers have qualified civil immunity for damages arising from reporting an incident of harassment, intimidation and/or bullying. Administrators, teachers, other employees and students who fail to abide by this policy may be subject to disciplinary action and may be liable for civil and criminal penalties in compliance with State law.

No one is permitted to retaliate against an employee or student because he/she files a grievance or assists or participates in an investigation, proceeding or hearing regarding the charge of hazing and/or bullying of an individual. [Re-adoption date: May 16, 2012]
SEXUAL HARASSMENT

It is the policy of the District to provide a learning and working environment for students and employees that is free from sexual harassment and intimidation. Sexual harassment is improper, illegal and will not be tolerated within the District.

Sexual harassment is a form of misconduct which undermines the integrity of the employment relationship and/or teacher-student or student-student relationship. All employees and students must be allowed to function in an environment free from unwelcome sexual overtures or inappropriate sexual labels.

Sexual harassment is behavior which is unwelcome, or which is personally offensive, or which debilitates morale, or which interferes with the work of its victims and their coworkers or creates an intimidating, hostile or offensive work/school environment.

Sexual harassment may include but is not limited to:
1. unwanted sexual advances, including propositioning, repeatedly asking someone out for a date after it is clear that the person is not interested;
2. submission to sexually based conduct is made either explicitly or implicitly a term or condition of a person’s employment or educational development;
3. making or threatening reprisals after a negative response to sexual advances;
4. nonverbal conduct: leering; making sexual gestures; displaying sexually suggestive objects, pictures, cartoons or posters;
5. verbal conduct: making or using derogatory comments, epithets, slurs or jokes; making sexual-based remarks about another person’s or one’s own body;
6. verbal abuse of a sexual nature, graphic verbal commentaries about an individual’s body, sexually degrading words used to describe an individual, suggestive or obscene letters, notes or invitations;
7. physical conduct: touching, assault, impeding or blocking movement and
8. computer accessing of programs or information in which the graphics or language is of a sexual nature.

In the event a student alleges that a staff member has been touching the student inappropriately in a manner that is of a sexual nature, the incident shall be referred to the proper authorities to determine whether an investigation by the department of human services, the county prosecutor or the police department is warranted based on child abuse reporting requirements. The procedures outlined in the policy on sexual harassment shall not be implemented until the investigation is complete and the matter is turned back over to the schools for further consideration based on the outcome of the investigation.

The building administrator or investigator has the authority to involve local law enforcement officials, if an individual believes danger is imminent due to the alleged harassment.

The identity of both the charging party and the accused are to be kept confidential to the extent possible.
COMPLAINT PROCEDURES

Formal Complaints:
Students and/or their parents or guardians may file reports regarding suspected hazing, harassment, intimidation, bullying and/or dating violence. The report can be found on the district website, Report Bullying under the Services, Social and Emotional Wellness tab for public use. It also can be found on the individual school’s websites under Bullying Prevention. Such written reports must be reasonably specific including person(s) involved; number of times and places of the alleged conduct; the target of suspected harassment, intimidation and/or bullying and the names of any potential student or staff witnesses. Such reports may be filed with any school staff member or administrator. They are promptly forwarded to the building principal/designee for review and action.

Informal Complaints:
Students, parents or guardians and school personnel may make informal complaints of conduct that they consider to be harassment, intimidation and/or bullying by verbal report to a teacher, school administrator or other school personnel. Such informal complaints must be reasonably specific as to the action giving rise to the suspicion of hazing, harassment, intimidation and/or bullying, including person(s) involved, number of times and places of the alleged conduct, the target of the prohibited behavior(s) and the names of any potential student or staff witness. The school staff member or administrator who receives the informal complaint promptly documents the complaint in writing, including the above information. This written report by the school staff member and/or administrator is promptly forwarded to the building principal/designee for review and action.

Anonymous Complaints:
Students who make informal complaints as set forth above may request that their name be maintained in confidence by the school staff member(s) and administrator(s) who receive the complaint. The anonymous complaint is reviewed and reasonable action is taken to address the situation, to the extent such action (1) does not disclose the source of the complaint, and (2) is consistent with the due process rights of the student(s) alleged to have committed acts of hazing, bullying and/or dating violence.

Bullying is not tolerated in Sycamore Community Schools.
Therefore, this rubric is used when a school administrator has investigated and determined that the student(s) has exhibited behavior that constitutes bullying.

DISCIPLINE CONSEQUENCES

Offenses that Result in Disciplinary Action - Based on severity of the offense, final determination of a disciplinary consequence is at the discretion of the Administration.

Learning communities that are successful are those in which students and staff respect each other and share a common purpose toward excellence. An orderly and properly behaved student body is an essential component in order for everyone to be successful. Clear expectations for behavior and consequences for poor choices help to maintain the environment and our mission of excellence. While Sycamore embraces the Positive Behavior Intervention and Support framework for encouraging desired behavior, student accountability is imperative in teaching our children to be responsible citizens. Students who violate the Code of Conduct and infringe on the rights of others will be dealt with using discipline that is progressive and cumulative as described in this handbook. Categories of offenses and consequences have been outlined in order for students to see clearly defined boundaries and possible consequences of their actions. However, based on the severity of the offense, the final determination of a disciplinary consequence is at the discretion of the Administration. Other infractions, not specified by the handbook, may be eligible for consequences. Chronic
misbehavior and repeated offenses in any category or combination of categories could result in suspension. Based on the severity of the offense, final determination of a disciplinary consequence is at the discretion of the Administration.

### Description of Consequences:

#### Teacher Detentions
Teacher assigned detention will be scheduled from 3:15 P.M. to 4:00 P.M. or 7:30 to 8:00 A.M. and will be served in an area designated by the teachers. Lunch detentions may also be assigned to take place during the student's lunch period. This time may be spent with the assigning teacher or picking up the cafeteria. It is the student's responsibility to inform parents about detentions. Teacher-assigned detentions take precedence over administrative detentions; however, they do not replace the administrative detentions.

#### School Detentions
Administrative detentions (DT) are scheduled from 3:15 P.M. to 5:00 P.M. on Monday – Thursday. Students are expected to be on time and bring sufficient materials for studying or reading.

#### Friday School/Saturday School
Friday and Saturday Schools are disciplinary measures given to a student by an administrator. Friday school will be conducted from 3:15-5:45 P.M. and Saturday school from 8:00-11:00 A.M. Each will take place in a designated room on Friday or Saturday during the school year. Since Friday and Saturday Schools are considered an alternative to suspension in most cases, any misbehavior or failure to show for an assigned Friday or Saturday may result in suspension. Students should enter the school building at the front of the building for Saturday School.

#### In-School Suspension
In-school suspension (I.S.S.) is a disciplinary measure given to a student by an administrator. It will be held during normal school hours and will be supervised by staff. Students are expected to bring sufficient study and reading materials to work on during the entire suspension. A student in in-school suspension is not permitted to attend any previously scheduled field trips, assemblies, or other related activities during the time of the suspension. Any misbehavior or refusal to attend an in-school suspension may result in out-of-school suspension.

#### Out of School Suspension

A student may be suspended from school for up to 10 days. A suspended student is not allowed on school grounds or permitted to attend or participate in any school activities. In accordance with Ohio law, all students must be allowed to complete assignments missed for out of school suspension. Appeals to suspensions should be done first through contacting the building principal and making an appointment.

**Expulsion**

Only the superintendent may expel a student from school. The length of an expulsion may be for any length of time, up to and including eighty (80) consecutive school days. A student who may have committed a serious offense or have chronic repeated offenses may be recommended for expulsion.
