The Basics of CCP

- Students in grades 7-12 can participate.
- Students earn college and high school credit for CCP courses. 3 college credits (a typical semester class) = 1 full SHS credit.
- Funding for tuition and books is paid by Sycamore.
- Weighted grades (like AP classes) are earned in subject areas where Sycamore weights grades.
- CCP grades appear on SHS and college transcript.
- Students can take classes at colleges/universities across Ohio, but most Sycamore students attend UC Main, UC Blue Ash, Cincinnati State, Sinclair & Miami U (Oxford & Regionals).
- There are 7 CCP courses students can take at SHS; English Composition (UC), Introduction to Photography (UC), African American Studies (Sinclair), Calculus I (UC), Introduction to Education (Sinclair), Financial Accounting (Cincinnati State), and Managerial Accounting (Cincinnati State).
- Students must be ready, academically and maturity-wise, for college level coursework.
- Students are responsible for knowing the rules of CCP and following deadlines. For instance, if a student fails a CCP course or drops after the "no fault" deadline, Sycamore district will ask for reimbursement for tuition and books.
- FAQs for CCP can be found on the Ohio Department of Education and Workforce website at <https://education.ohio.gov/Topics/Ohio-Education-Options/College-Credit-Plus>

Steps to take if you want to participate

1. Complete letter of Intent-Mandatory for all Sycamore CCP students. Available as [Google Form](#) or pdf/hard copy. Please return to Mrs. Kempke in Counseling office.
2. Complete Online application to college/university
3. Note what supporting documents are needed (will vary by institution). This may include:
