**MARTHA HOLDEN
JENNINGS FOUNDATION**

Martha Holden Jennings Foundation

The foundation's mission is to foster the development of individual young people to the maximum possible extent in Ohio's secular primary and secondary schools, and to provide a means for greater accomplishment on the part of Ohio's teachers by encouraging creativity in teaching and bringing greater recognition to the teaching profession.

Kroger Technology

Kroger Technology is driven by customers, quality, and innovation. As one of Computerworld's 100 Best Places to Work in IT, Kroger Technology employs some of the best and brightest technology experts in the world. As we strive to be the most valued technology organization in retail, our associates are empowered to make decisions that benefit our customers and are focused on building a strong culture of inclusion and engagement. Our solutions help to improve the lives of millions of Americans that shop our stores, access our online tools, and use our mobile application every day.

Dayton/Cincinnati Technology Services

DCTS provides technology solutions, support and assistance for all K-12 Educational Institutions along with small businesses throughout the Dayton, Cincinnati and Columbus areas. What makes us different from other technology providers is our commitment to our customers. We pride ourselves in developing relationships in which we take care of our customer's needs and help them achieve their technology goals and to help students reach their highest grade. We take the complexity out of implementing new technology and make it an easy transition.

We configure and install wireless infrastructures, purchase classroom technology, including computers and interactive display boards, projectors and anything that enhances a student's learning experience. We also offer support services and special project initiatives and have certified repair and network technicians.
