

2021-22 Sycamore JH PTO Membership and Volunteer Form

The Sycamore Junior High Parent Teacher Organization (PTO) is made up of parents, guardians, teachers and staff members who wish to improve the school environment and student experience at the Junior High.

The PTO supports student clubs and programs, student recognition programs, staff appreciation, educational assemblies, special-request materials, technology and so much more.

This year, the PTO is requesting that families make a financial contribution toward PTO Membership. In order for you to have access to the online school directory this year you **MUST** be a member of the PTO.

Due to the added challenge of fundraising during a pandemic, contributions from our members are more important than ever!

Membership donations are accepted online and can be submitted once this online form is completed.
