Sycamore High School is a comprehensive four-year college preparatory public high school providing over 200 different course offerings and more than 60 extracurricular activities in the arts, athletics, and academic areas. One of the most diverse schools in Ohio, Sycamore High School welcomes students from 55 countries around the world. Due to outstanding community support, Sycamore Schools are able to offer rich opportunities for students. This independent city school system northeast of Cincinnati includes the municipalities of Blue Ash and Montgomery as well as portions of Sycamore and Symmes townships. The members of this largely professional community value their cultural and international diversity. Their own high levels of achievement and academic expectations are the basis for the depth and breadth of Sycamore students' success.
