Up for a Challenge? Like to solve puzzles? NACLO is for you.

The North American Computational Linguistics Olympiad is a contest in which high-school students solve linguistic puzzles. No prior knowledge of linguistics or second languages is necessary. Contest is January 24th - act now if you want to participate. See Mr. Hoffert or Mrs. Hoffman for more information.
Interested in becoming a teacher or entering another “helping” profession?

Come and see Mrs. Googins in room 149 for information about the Teaching Professions Academy (TPA) and for an invite to our information session / pizza party on January 24th.
Volunteers are needed for the district wide APE tubing trip at Perfect North. Mrs. Anstaett needs 50-60 high school people to act as tubing buddies for her special needs students (K-12) on Wednesday January 30th. If interested, the paperwork and permission slips are on her office door across from the trainers room or you can get it from Mrs. Anstaett. **First come, first served!**

Get your paperwork in soon.
THE COMPELLING DRAMA DOCUMENTS THE TRUE STORY OF FACTORY EMPLOYEES VICTIMIZED BY CONTAMINATED LUMINOUS PAINT.

JAN. 31ST, FEB. 1-2, 2019 @ 7:30 PM

Only 120 seats available per performance.

Don't miss out!
