

FULL-DAY KINDERGARTEN APPLICATION

Please complete application and return with your \$100 deposit to the main office of the school the student will attend. For building of attendance information, contact the transportation office at (513) 686-1785.

I would like for my child to be considered for the full-day kindergarten program.

I understand the following regarding the full-day program:

- A \$100 deposit at the time of application (make checks payable to Sycamore Community Schools). This deposit will be refunded in full if the district is unable to place my child in a full- day kindergarten class.
- Tuition for the program has yet to be determined for the school year. Please contact Central Registration or school for information on tuition at (513) 686-1709.
- Tuition assistance is available for families who qualify.
- Students are assigned to full-day kindergarten classes and programs according to results of a random lottery drawing. Parents are notified by letter of lottery results in February.
