"SHED THE EXCESS THREADS"
CLOTHES BIN CHALLENGE

When: February 18, 2020 - March 27, 2020

Who: All 7 Sycamore Schools competing to be the winner.

How: Collect the most textiles during the challenge period.

What: Shoes, clothing, rags, towels, blankets, sheets, etc.

Why: 85% of textiles end up in the landfill. These will be recycled and our schools will earn 7 cents for every pound. Collect more, earn more! Money goes into the school accounts!

Winning school will be recognized with an award and featured on social media.

Support Sycamore Community Schools

The average American discards approximately 70 pounds of clothes, shoes and textiles each year. Most of these items end up in local landfills, which amounts to an astounding 16.9 billion pounds of preventable waste each year. We need your help to reduce this number.

How will YOU speak into the world?

Lynx Project’s Autism Advocacy Series sets the words of four individuals with autism to music in newly commissioned art songs. Emily, Aarush, Nina, and Darren are between the ages of 9-19 and are primarily non-verbal, but communicate by spelling out words on a letterboard in a process called the Rapid Prompting Method. Come hear their powerful and inspiring messages through song on Saturday, February 29th!
