's Online Resources

Our 1ˢᵗ grade classroom will be using online applications this school year!

Students will use a Chromebook while at school to access the websites shown below.

Website usernames and passwords will be issued by the teacher as your student progresses throughout the year. These sites can also be accessed by your student at home.

Compass Learning	1. Go to www.thelearningodyssey.com/ 2. Fill in the following login information: USERNAME: _____ PASSWORD: _____ SCHOOL: symmes 3. From there, your child can click on any of the learning folders (Note: **Language Arts** and **Math** will be the subjects tested at school)
RAZ Kids	1. Go to www.kidsa-z.com/main/Login 2. Type in the Teacher Name box _____ 3. Click on your child's name 4. Have your child click his/her Password Picture
Think Central (Go Math)	1. Go to http://www2.sycamoreschools.org/home/ 2. Click the Go Math icon on the right side of the screen under the Student section 3. Sign in using your child's Google Account: USERNAME: _____@sycamoreschools.org PASSWORD: _____ (Note: All other family members must be signed out of their Google Accounts on the computer being used or your child will not be able to access his/her Think Central account) 4. Click "Things to Do" on the tablet to access assigned work that corresponds to units from class OR Click "My Library" to access Math Concept Reader eBooks, Animated Math Models (complete in order), Math on the Spot videos (complete in order), and Mega Math videos/games
