

Willing to help?

Sycamore Ambassadors

Sycamore Ambassadors are volunteer parents who welcome and help families new to the community transition to Sycamore Community Schools. We offer assistance throughout the school year in various languages and cover different aspects of school life, including enrollment forms, online resource management, and getting connected with the school community.

How to contact us?

You can find links to each branch of Sycamore Ambassadors on our Facebook page, Sycamore Ambassadors. You can also email them at your school directly at:
